A cracking collection of clunge from around the UK for you this month! I'm particularly fond of cover girl Charlie's chubby chebs and hairy pussy – a must for our old-school readers. Contrastingly, how about itty-bitty titted Crystal, soaking up rays (and the office's spunk!)? And our readers' wives are amazing – who knew there were so many randy ladies out there? Well, I had an inkling!

My driller thriller night...

Just because I munch on muff, that doesn't exclude me from getting a good shafting too, you know! I've had roughly the same amount of boyfriends as I have girlfriends, but I've had more one night stands with blokes than I have with girls.

One boyfriend of mine had quite an impressive cock, I remember. His name was Phil and I was seeing him for a few months before he got pissed off with me copping off with girls all the time. Dozy twat, most blokes would be keen as mustard to join in!

I really wanted to get both my holes plugged at once. Phil's cock was too big to go up my arse, not for want of trying, so I decided I'd use one of my dildos on my arse while Phil slammed my pussy with his cock. I introduced Phil to the idea one night, and as you can imagine he was well up for it.

We had a shower together to get in the mood. Then in the bedroom I lay down on the bed and Phil gave me a good long licking out, getting my pussy nice and wet. Then I got Phil's cock out and sucked it until it was fully erect. Without further ado I jumped onto the bed and got on all fours.

Phil got in behind me and rammed his big fat cock into my juicy pussy. He began slowly sliding in and out of me, his cock glistening with moisture as it glided back and forth. I closed my eyes and let him drill me for a while.

After a few minutes I was nice and relaxed, just taking a nice easy fucking. Then I reached into the drawer beside me and pulled out my smallest dildo. I also pulled out a bottle of lube. I told Phil to put his hand out, and when he did I squeezed a big load of lube over his fingers. I told him to finger my arse to get it ready for the dildo.

He kept up a good rhythm fucking me while he inched a finger into my arse, making me gasp as he did. As I rocked

GEYSER BIRDS!

Horny homage to staggeringly popular 1980s drama *Dallas*, this XXX Parody from the studios of Adam & Eve will have you pumping your cocks like one of the Ewing family's oil wells. Eric Masterson has great fun as incorrigibly wicked J.R. – the only thing bigger than his ego or his helmet is his hat. Old lush Sue Ellen is played by Bobbi Starr, poison dwarf Lucy by Alexis Ford and goody two-shoes Pamela by India Summer. Even Brooklyn Lee turns up for a drilling and ends up gushing everywhere – as you will be watching this slick production.

forward to the rhythm of Phil's steady thrusting I applied a generous amount of lube to my trusty dildo. Reaching behind me, I pressed it up against my twitching arsehole. To my surprise it slid home easily. I began pumping it in and out of my arse in time with Phil's meaty cock.

I got a bit carried away and, chucking the dildo to one side, I told Phil he could stick his cock up my arse. He was over the moon! Pressing his big shiny helmet against my ring, he slowly applied pressure. For a while it seemed like it wasn't going to happen but then, as if by magic, my anus acquiesced and his cock popped inside.

"My arse acquiesced and he nudged his cock inside till his big tool was wedged up there"

He nudged it gradually further inside me until half of his big tool was wedged in my arse. He began to pump it very slowly in and out of me, driving me wild. I'd never been so full of cock in all my life and I was fucking loving it, creaming like a Friesian. It wasn't long before Phil pulled his knob and out and fired his goo all over my arse. I rubbed our mixed emissions all over my bum cheeks in ecstasy.

TRUE CONF

BONNIE BOARDS THE S-EXPRESS AND FINDS AN OBSTRUCTION IN HER TUNNEL...

Limit is not a word in my vocabulary. I pride myself on having done most things – or having had most things done to me. But amazingly, until recently the one thing I had never managed to do was fuck two men at the same time. Not for want of offers, of course, but I'd never quite fancied anyone enough to take them up on it.

But then a few months ago, I got my first taste of spit roast in the unlikeliest of places – a train. It was one of those long, slow Sunday journeys and the train even had separate first class carriages. Guessing there would be no conductor around I nipped into an empty one, drew down the blinds and settled in for a couple of hours of comfort. So guess how annoyed I was when I heard voices coming down the corridor, outside at the next station.

Sure enough, seconds later someone knocked on the door and two young lads walked in. I nodded politely, then went back to reading my book as they sat down opposite – not without giving them a furtive once-over first, though. To my surprise, they looked pretty fit (one blonde, the other dark) and judging from their backpacks and tans they weren't English either. I also couldn't help noticing that they were both staring at my tits. It was the end of summer, and still hot, and I had on a short skirt (with no panties), vest top and denim jacket. Although my breasts are big, they are always pert, and I never wear a bra. I decided to give the boys a little bit more to look at, so murmuring something about it being hot under my breath, I slipped off my jacket. Then I hitched up my skirt just a little, to see if they'd try and catch a glimpse of my snatch.

Sure enough, I caught them following the line of my legs up to the (now slightly hot) crack at the top, visible between my thighs. There was no mistaking their excitement as their pricks started to visibly swell inside their shorts. Now it was just a matter of who would make the first, definite move. I decided it was a case of nothing ventured, nothing gained. They were foreigners after all – I would never see them again, and I had no doubt I could take them both on at the same time.

This time I pulled my skirt right up, spreading my legs wide in front of them, without uttering a word. I knew they would be surprised to see my pussy shaven of all hair. Staring them straight in the face, I licked one finger and then started to rub my clit. At last one of them made a move, kicking off his sandals and stretching his

FESSIONS

foot across. His big toe probed my juicy cunt, sending a throb of pleasure round my body. Then his friend slipped behind me, lifting me into his lap and wrapping his hands round my tits. His rock hard cock dug into my arse, turning me on even more, and I reckoned it was time to give them some fun.

"I FOUND MY HANDS ON TWO HUGE DICKS!"

Now they were on opposite sides of the carriage, it was easy. I unzipped their flies at the same time, and suddenly found my hands on two huge dicks. Taking turns to wank one of them and suck off the other, I made sure they were soon desperate for fanny. Both of them were on the point of coming once I'd finished licking their balls. And I knew they were enjoying watching me service the other one. But by then I could barely restrain myself from jumping on one of their cocks, and picking the dark haired one, I thrust myself down on his hot prick.

The thought that I was about to get two cocks rammed in both holes was too much for me, and I instantly had my first orgasm. But then I got another surprise, as I felt a tongue probing my anus, a little taster of the shaft I was about to receive. Then he stood up, spreading my arse wide and smoothly slipping his rigid prick inside. I just wasn't prepared for how good it would feel with two huge dicks filling me right up – and I knew from their groans that my fit fucks had never experienced anything quite so hot either.

They made a good team, lifting my body up and down, forcing themselves in and out, slapping my arse and sucking at my enormous boobs. And as I came violently the second time, from my clit and deep within my pussy, their come started to spurt out as well – and they were so excited that their spunk just kept on coming, spilling out of both entrances. And as they shuddered to a final climax, the train started to screech to a halt, our frenzy satisfied in time. I just wonder what the ticket collector made of our huge grins as we got off the train!

My strap-tease with lezzie pal

A dildo is a girl's best friend. I've got several of different shapes and sizes. I have got one really big cunt-buster, but I only use that on special occasions. The pride of my collection is a large black strap-on.

I remember the first time I used it. I bought it from a sex shop and when I got it home I couldn't wait to use it. I was casually seeing this girl called Chloe so I decided to give her a ring to see if she was up for a shag. Of course she was. She said she'd be round in half an hour or so.

She is a fucking sexy little minx. She's short and very petite, has a fantastic lithe figure and is tremendous in the sack. Like I say, we had a casual thing going – we were good friends who happened to like fucking each other.

I couldn't wait to get cracking so I told her I had something to show her. Her eyes narrowed in a crafty way when I showed her my purchase. We started kissing straight away and I told her I wanted to fuck her hard. I was very passionate because I was gagging to nail her. I ran my fingers through her hair and lifted her top over her head.

I lowered my mouth around her pert tits, kissing and flicking at each erect nipple with my tongue. Then I nudged her round towards the bed, still sucking her tits, and laid her down. I pulled off her shorts to reveal the tiniest of G-strings, already wet. I kissed her thighs and worked my way to her sweet pussy. Pulling her G-string to one side, I gently kissed her shaven mound.

I began to lick her puffy pussy lips up and down. She started to breathe heavily as I applied more pressure with my tongue. By the time I reached a finger round to rub her clit, Chloe was writhing on the bed and running her hands through my hair. I pushed my tongue inside her as far as it would go and frigged her clit. Soon she rewarded me by cumming juicily into my mouth.

I then took her panties in my teeth and peeled them down over her thighs and off. I told her to turn over and I slapped her arse, the universal sign for 'get in the doggy-style position'. She obeyed wordlessly, curving her back low and sticking her arse up in the air.

I got of the bed and started to buckle up the strap-on. Chloe was literally trembling with excitement as she looked over her shoulder to see me gearing up to fuck her. As I

WorldMags.net

visit www.paulraymond.com

pulled the last buckle tight I slapped Chloe hard on the arse and she moaned out loud, desperate to be done. Her pussy was already dripping so I didn't bother with any lube. Instead I kneeled down behind her on the bed and parted her pink pussy lips with two fingers on one hand.

With the other hand I guided the end of the phallus towards her hole and, with a nudge of my hips, slid the first inch of the strap-on into her cunt. She gasped as my thighs pressed against hers, the entire length deep inside her. I let out a little moan as well, the purpose made bristles on the inside of the strap rubbing against my clit as I thrust.

From there I eased the fake cock almost entirely out of her before plunging it back inside. I continued to take long deep strokes, building up speed as I did. As my pace increased, so did the frequency and volume of our cries. Chloe had a big plastic cock slamming in and out of her juicy pussy and I was getting my clit massaged while I watched Chloe's pussy stretch. What a beautiful sight!

Chloe had already cum three or four times by the time I felt an orgasm approaching. I shoved the strap-on all the way inside Chloe and started

"The strap-on glided in, lubricated by a cascade of hot pussy juice"

inside her. As soon as she was entered Chloe started sighing and moaning. She was as turned on being fucked as I was fucking her. With another slow thrusting motion of my hips I eased another couple of inches inside her. It glided in effortlessly, lubricated as it was by a cascade of cunt juice.

With one final triumphant stroke I thrust the remainder grinding my hips against it, rubbing my clit like crazy. Her ecstatic cries spurred me on until I was overcome with an incredible orgasm. I writhed and shuddered and screamed.

Later on Chloe took her turn to fuck me with the strap-on, and I could feel why she got so excited. Different to being fucked by a guy with a real cock – but just as good.

tantus ball gag

Sometimes you just want your partner to shut the fuck up. It's not that you don't love 'em anymore, more that you're just done with hearing their groans and moans everyday. To save offending them too much when you want a bit of quiet, pull this one out of the bag. As far as gags go, this is a pretty good one – mainly because it's tasteless and odourless. It's also very comfy as it has an extra-wide strap, something that makes quite a difference when you are not in a position to protest! Comes in black or pink.

lelo luna beads - kegel balls

I haven't read the latest soft porn bestseller, Fifty Shades of Grey. It'd be about as effective as reading Spot the Dog for a sex lush like me. However, I have been intrigued by the sudden sell-out of the Lelo Luna Beads (Kegel Balls) referenced in the book which have been flying off the shelves and into the bedrooms of desperate and horny housewives across the country. Although not designed for mind-blowing cum fests, they serve an important and practical purpose of keeping you tip-top-tight and fighting fit down there. Wearing them sure as hell beats going to the gym!

Cistern addict's WC wanks

Girls who tell you they don't wank are stone cold liars. The next time you hear a girl tell you she doesn't wank she's bullshitting, trust me.

I'm always at my clit, any spare moment I get. I know exactly how and where to touch myself to bring myself off, so I can get away with a quick one almost anywhere. Or I can have a nice slow wank that builds up to a massive orgasm, which I often do in the bath.

I work as a secretary in a busy office, but that doesn't stop me having the odd sneaky wank. Quite often if I haven't had one in the morning before work I get a tingling in my cunt and I just have to go and rub myself off. I usually do it in the toilets – like I say, I can knock one out in no time – but I have also done it in the kitchen, in the boardroom and even once under my desk!

One morning I was desperate for a frig. I was snowed under with work and I was quite stressed. At the first opportunity I sloped off to the ladies. When I got there all the cubicles were engaged – everyone else must have been at it! My pussy was juicy and aching for attention, so I tentatively poked my head round the door of the gents.

It was empty so I quickly dived into the nearest cubicle. Locking the door, I hitched up my skirt. I sat on the toilet seat and pulled my panties to one side, spreading my legs wide. My fingers were stroking my moist pussy lips in no time. I began to gently rub my clit in just the place that gets me creaming and as I was getting close to the edge I heard the door open.

I was too close to cumming to be able to stop and as my fingers danced nimbly over my clit I bit my lip to stop myself crying out. The sensation was too strong, though, and as I climaxed I involuntarily let out a little shriek of joy.

"I was too close to cumming to be able to stop so I bit my lip"

Immediately I heard a voice saying, "Laura... is that you?" It was Mark, a junior accountant whose desk was next to mine. He must have recognised my voice - either that or he'd spotted me going into the gents' and he fancied

WorldMags.net

visit www.paulraymond.com

chancing his arm. We got on really well and were always flirting with each other.

Then he knocked on the door and asked if I was all right. I'd just brought myself off, but my pussy was far from satisfied. Wanking is great, but there is nothing quite like a meaty cock! I got up and opened the door, dragging him in by his tie and locking the door behind him.

I kissed him passionately and put my hand on his crotch. He already had half a bone on so I rubbed his nuts until he had a stonking great woody. He didn't take long to find my slippery cunt with his hand. As he began fingering me I undid his trousers and pulled them down with his boxer shorts.

I told him I wanted him to fuck me, before getting on my knees and stuffing his cock into my mouth. I wanted to get it nice and wet so he could whack it up me. He held the back of my head and slid his cock in and out of my mouth, his balls slapping against my chin.

"He held the back of my head as his balls slapped against my chin"

Then I got up and resumed my pose on the toilet seat. Mark lined his cock up and eased it into my well-lubricated cunt. He pumped me hard and fast while I rubbed my clit, bringing me to another climax. After a few minutes of good hard fucking Mark said he was going to cum.

I didn't want spunk stains on my work clothes so I told him to pull out. I wrapped my lips round his helmet and jacked him off into my mouth. He came with a low moan and I swallowed his spunk as fast as he could fire it.

Then we cleaned ourselves up, made our hair a bit neater and came out separately, trying to act casual. Harder than it sounds! We got a few funny looks but I don't think anyone really twigged!

What's the difference between cunnilingus and a traffic cop with a speed-gun?
When you go down on a woman you can see the cunt behind the bush.

A lady was walking past a housing estate when she spots a young lad crying. "Are you okay? Why are you crying?" The boy sniffs, "My parents are over there, having a fight." He points to a crowd of people nearby. The woman looks over, then asks, "And who's your Daddy?"
The boy shrugs: "That's what the fight is about."

Where do you find a dog with no legs? Wherever you left him.

A GUY GOES TO SEE HIS GP AND SAYS, "I THINK MY WIFE MAY BE DEAD, DOC." THE DOCTOR LOOKS CONCERNED: "WHAT A THING TO SAY, FRED! WHY ON EARTH WOULD YOU THINK THAT?" THE GUY REPLIES, "WELL, THE SEX IS THE SAME, BUT THE IRONING IS STACKING UP TERRIBLY."

A new report reveals that scientists have discovered that most women will contain intelligent DNA at some time in their life, although unfortunately most of them spit it out.

A woman goes to a greengrocer to buy a cucumber. The grocer, proud of his attentive customer services, asks her if she would like him to slice it for her. The woman looks at him oddly and frowns, "No, thank you – it's a fanny I've got, not a bloody slot machine."

READERS' WIVES

We love getting pictures both on disc and as prints. Digital images should be sent as jpeg files and we like the images to be saved as large as possible (ideally at a resolution of 300dpi). The more poses the better, and we hope you have as much fun taking them as we do looking at them! Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by one form of ID, preferably a passport or driver's licence.

Sharron & Will

www.adultmags.net

Last Friday night started like most others – I got dolled up, hit the town with my mates and managed to pull. But, unlike most Friday nights, I ended up in two men's beds, not just one! For the past three months, I've been single and have been enjoying my freedom to the full. Almost every weekend I've copped off with someone and Friday wasn't the first time I'd gone home with Dean – and I'm sure it won't be the last. We're on the same course at university and he lives just around the corner from me, with five mates in a large, shared house. He'd been a great shag the previous two times I'd scored with him and I couldn't wait to get back into his bed.

"He plunged his cock back with such power, it made me whimper"

By the time we left the nightclub where I'd bumped into him, Dean was well pissed. He was slobbering all over me in the taxi, pushing his hands up my short skirt and burying his head in my chest. The taxi driver couldn't keep his eyes on the road for watching in the mirror, as Jack fumbled his way into my knickers. I got a real kick out of letting him finger me while we were watched, and by the time we pulled up outside Dean's house I was gagging to be fucked. "Lucky bastard," I heard the driver whispered under his breath, as Dean paid him. I beamed secretly to myself as I tucked my tits back

into my tight dress.

We staggered up the stairs and into Dean's room, where he pushed me onto the bed. He wasted no time with foreplay, simply whipping out his cock, pulling my knickers aside and ramming it inside me. As I mentioned, I was raring to go and soaking wet, but a little bit of teasing would still have been nice! I put it down to the fact that Dean was drunk and decided to make the best of it, grinding back against his forceful thrusts. I'd never known him to fuck like that before. He rammed his cock so far inside me it actually lifted me off the bed. He withdrew, almost pulling out of my sopping cunt completely, but just as the tip reached my tight entrance he plunged it back inside with such power it made me whimper. His face contorted with pleasure and he groaned loudly as his come-filled balls slapped against my bum cheeks.

I normally like to be the more domineering when it comes to sex but in this case I didn't really have much choice, lying there while Dean basically skewered me to the bed, fucking my brains out. His thick shaft stretched my cunt wide open and each time he thrust it inside me, I wriggled around so his smooth glans rubbed against my G-spot. Dean had now built up a steady rhythm and I could feel his veiny prick throbbing with anticipation inside me. He roughly pulled down my dress to grope my big tits and as his hands began kneading my soft flesh, he started panting excitedly.

I knew Dean well enough to know this meant he was about to come and not wanting to miss out, I desperately scrabbled at my clit to try to bring myself off at the same time. I knew I only had seconds to catch up but it was too late, Dean was so horny he couldn't hold on and with one final firm jerk, he fired his load into my sticky fanny. My pussy hole grew warm, as streams of spunk were shot inside and Dean's body twitched in satisfaction as he milked every last drop into my cunt. I honestly don't mind if I sometimes

visit www.paulraymond.com

miss out on coming when being fucked, especially if the bloke has tried his best but it's just not happening, but on this occasion I was so frustrated I thought I'd burst.

My pussy was throbbing with lust and it didn't help that Dean simply collapsed in a drunken, passed-out heap as soon as he'd shot his load. Determined to bring myself off and finish what he'd started, I tiptoed towards the bathroom. Half way along the dark landing, though, I heard someone moaning gently. Forever nosy, I peered through the keyhole of one of the bedrooms and saw Will, one of Dean's housemates, kneeling on his bed. At first I couldn't make out what he was doing, but as I continued to watch I realised that Will had his cock in his hand and was wanking it furiously. I love to see blokes tossing off and couldn't believe my luck. Will is the best-looking lad in the house and I was impressed to see he had a gorgeous cock to match. He was kneeling alongside an open porno magazine and was wanking off over some explicit photos of a busty blonde. My fanny began to squelch with excitement and I felt Dean's come gushing down my thighs. I thrust a hand between my legs and rubbed our combined sex juices into my aching pussy. I was so horny I could have come straight away, but I couldn't miss the chance of getting it on with Will.

Standing up, I tried to compose myself and knocked gently on Will's door before quickly opening it. He flung the magazine across the room and desperately tried to hide his bulging erection. "Oh, erm, hi," he stuttered, his face flushed with embarrassment. I didn't say a word, simply closed the door behind me and smiled. He looked confused as I pushed him back onto the bed and released his stiff cock from his jeans. "Let's not waste that gorgeous hard-on," I whispered in his ear, as I climbed on top of his fit body. I felt so wanton, sneaking into a man's bedroom uninvited and taking advantage

"I felt like such a whore, shagging one, then sneaking off to fuck another man"

visit www.paulraymond.com

of his sexual arousal. He must have been baffled as to how I'd gotten into his house, but at that point he was too horny to care and just wanted to shoot his muck. He was already so turned-on that his prick was leaking.

I bent down to lap it up from his sticky eye, my tongue flicking across the tip, before snaking its way down his length. I relished the taste of his clear juice before opening my mouth and devouring his tool as far as I could. He groaned as I forced his thick cock into down my throat, enjoying the feeling of it as it made me gag, and my eyes water. He grabbed the back of my head, his member filling my whole mouth, his salty pre-come dripping down the back of my throat and making me feel like a dirty bitch. When he let go and I came up for air, I only gave it a second before I swallowed him again, letting him hit the back of my throat once more, before deciding it was time to straddle his cock.

I released his prick temporarily, then hitched up my dress to give Will a glimpse of my neatly shaven cunt before lowering myself onto his meaty shaft. It slipped easily into my hole and Will let out a groan as I sank down the length of his pole. Slowly, I began riding his cock, gently leaning back so his shaft ground against my clit. I felt like such a whore, being fucked by one man then sneaking next door to shag another, but I loved it! My fanny oozed juices all over Will's cock and balls and I went wild, bouncing up and down on his dick.

I yanked down my dress and pushed his hands onto my heavy, swinging breasts, as I used his cock to bring myself off. He squeezed my stiff brown nipples and that added stimulation sent me over the edge – my hips buckled under the excitement and I cried in sluttish delight as a massive climax shook through my slim body.

My pussy leaked yet more lubrication over Will's prick and he began bucking his hips off the bed in an attempt to come too. He used my tits to bounce me up and down on his dick and after just a few firm thrusts he was ready to spunk.

I hoped he'd fill my fanny with cream, but he had other ideas. He roughly pushed me off him and forced me onto the bed where he finished himself off by wanking into my face; within seconds, Will was splashing rivers of salty come across my cheeks and into my mouth. I gulped down as much as I could and when he'd collapsed in exhaustion, I cleaned my face off with my fingers, licking them one by one. I left soon after, my satisfied pussy squelching all the way home – a telltale sign of a very successful Friday night!

"I'm single at the moment and miss having a stiff prick in my cunt, but I keep my quim trim all the same!" admits lonelyheart Sophia. "When I'm bald and bristly my cunt is so much more sensitive and touching it sends me into fucking raptures!"

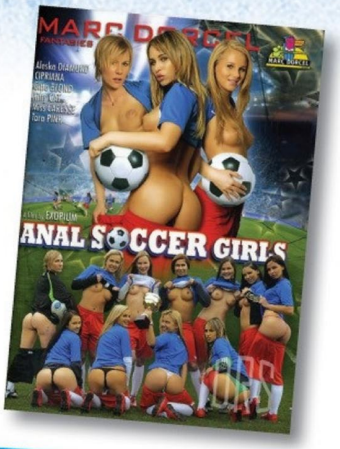
FILM PHW

YOU'LL BE LOOKING FORWARD TO YOUR HALF TIME ORGASMS!

Football Fucks!

Anal Soccer Girls



Released by: Marc Dorcel Video
Starring: Aleska Diamond, Cipriana, Gitta Blond, Kitty Cat, Miss Caresse, Tara Pink

BEST BITS: This movie is bursting with more Euro-hotties than you can shake your stick at and, amazingly for a football porno, they actually knock a ball about too! We kick off with a hardcore threesome scene, which is a doozy. Featuring Aleska Diamond, who shows exactly why she's become so popular among the wanking population – after showing off her ball control, she makes being on the receiving end of a DP look so enjoyable, we almost want a go. Almost. And then, to top it all off, she gratefully takes both loads all over her gorgeous body. What a team player!

WORST BITS: The second scene, starring Tara Pink, is a little disappointing. She gets a good seeing-to vaginally, but not as much action up the wrong 'un as we'd expect from a film called Anal Soccer Girls...

DVD FEATURES: Sexy stripteases and behind-the-scenes footage, trailers and extensive gallery of photos.

Future Soccer Mom Sluts

Released by: Private Movies
Starring: Sasha Grey, Penny Flame, Aurora Snow, Sammie Rhodes, Sunny Lane, Holly West

BEST BITS: You just have to look at the cast list to know that this movie's going to be a winner – Sasha Grey, Sunny Lane and Penny Flame on the same disc? Yes, please! Holly West's threeway – which sees her being DP'd and having her pretty face covered in goo – is obviously worth a tug or two, but just as wank-worthy is the pool-side lezzer-fest between Sasha Grey (*right*) and the mouth-watering Sammie Rhodes. After working their way from dildos to butt-plugs and anal beads, Sasha gets strapped in to her strap-on and gives her delectable friend an unforgettable pounding. With those and Aurora Snow, Sunny Lane (*left*) and Penny Flame's horny facials, the best bits are fast and furious.

WORST BITS: It could've been another few hours long!

DVD FEATURES: Some great behind-the-scenes footage, photos of the girls and a few trailers, but the best feature is definitely the full-length bonus scene!

OOOAAR!

I Scored A Soccer Mom 4

Released by: Overboard Video
Starring: Diana Doll, Darryl Hanah, Brianna Beach, Jessica Shaw, Savannah James

BEST BITS: Diana Doll (*pictured below*), Brianna Beach and Darryl Hanah, all day long! As you may have guessed, I Scored A Soccer Mom is a series, but we opted for the fourth of eight to review – mainly because of the aforementioned hotties.

WORST BITS: The series in itself is pretty lame, not so much 'soccer mom' as generic MILF, which we should've expected as Overboard is an American company, so if you're expecting any nutmeg or keepy-uppy references, check out MOTD instead. Despite having seen most of the actresses in other titles and enjoyed their work, the acting here is completely over the top and more than a bit annoying. The scenes are quite short and you get the impression that the sexy mamas are just going through the motions – a waste of talent, if you ask us.

DVD FEATURES: A slideshow and short behind-the-scenes bit – nothing to get a hard-on about.

Footballers Wives: First Half

Released by: Bluebird Films
Starring: Linsey Dawn McKenzie, Tommie Jo, Kaia Kane, Paige Ashley, Jasmine Black

BEST BITS: Technically this isn't so much about football as the comings-and-goings of the birds hanging off the players' arms, but are we really that bothered with semantics? Being one of the few Tommie Jo movies around, she's most definitely a best bit, as is Anna Lovato's lesbian tryst with curvy Kaia Kane.

WORST BITS: Did Bluebird really have to hire aging cocksman Ben Dover to fuck Paige Ashley? His wrinkly arse put us right off our stroke!

DVD FEATURES: Cum-shot recap, slideshow, a fancy interactive menu and a music video for 'England Expects', which is nice.
